

Redeeming The Time Life Coaching

Greetings!

Thanks so much for your consideration of partnership with the **2019 Redeeming The Time Bridal Retreat & the Ms. Kingdom Bride Honor Pageant**. It is well known that many of the challenges that society faces today can be traced back to an individual's poor decision. In many instances, it can all be traced to a broken or dysfunctional family unit. Public resources, social services and non-profits seem to be in a consistent state of catch up striving to rehabilitate offenders and teach suitable life skills to those who may have never had an upbringing conducive to productive living. The effects of broken homes and dysfunctional families know no racial, gender or socio-economic limits. The trend affects all of us at some level. The lack of preventative, non-punitive relationship support for women was a large motivating factor for Redeeming the Time Life Coaching.

A central part of our mission is to **educate, equip and inspire women with the tools necessary to successfully navigate the challenges of marriage and thrive in their unions regardless of the circumstances therein. We aim to bring emotional healing, spiritual support and resilience to women in relationship.** These outcomes strengthen marriages, restore families and prevent divorces; ultimately building stronger family units and overall community. This event takes a **trauma informed care** approach and addresses **mental and emotional health needs** while teaching **practical relationship strategies** that have lifelong results. We know how important these things are to you and your organization as well; and I believe an effective partnership will make a positive impact on our great city, region, state, and ultimately a stronger society.

Please review the included event sponsorship information and company profile and get back to me as to when we can discuss partnership further. I look forward to hearing from you!

Making a Difference,

Dallas T. Ruffin
